CSE:PDT

Preferred Dental Technologies Inc. (“Company”) (CSE: PDT):

Preferred Dental Implant Corp. Introduces Advisory Board

Mr. Erik Siegmund, CEO of the Company and President of (PDIC), stated, “We are privileged to be able to work with a distinguished set of dental experts. We are honored that these talented individuals have chosen to assist in the development of our system for national and international markets Their collective experience embodies both the forward-thinking research, and practical clinical experience that are central to PDIC’s core vision.

Dr. Igor Pesun DMD, MSc, FACP, FRCD(C)

Dr. Igor Pesun is the Head of the division office of Prosthodontics at the University of Manitoba and a Board certified Prosthodontist. Dr. Pesun is both a published author and reviewer for numerous national and international dental journals. He has also lectured both in Canada and the USA, as well as countries such as Japan, Mexico and Croatia. Dr. Pesun brings a strong active clinical and academic presence to PDIC’s advisory team.

Dr. George Bambara DDS, DMD, MS

Dr. Bambara has been named one of the “Top Clinicians in Continuing Education” from 2005 to the present by Dentistry Today magazine. He is a graduate and staff member of the faculty of Medicine and Dentistry at the University of New Jersey and is an adjunct Assistant Professor at the College of Staten Island. Dr. Bambara lectures to wide acclaim both in the United States and internationally.

Dr. Errol Wright DDS

Dr. Wright is a retired oral surgeon and long-established, respected dentist in Winnipeg, Manitoba. Dr. Wright’s dental practice provides general dentistry with a focus on crowns, bridges, and implants. He is Vice President of Dental Leasing, a dental and medical equipment leasing company. Dr. Wright continues to act as advisor to insurance companies on dental claims due to his extensive experience with a wide range of dental practices and case design.

Dr. Rodrigo Franca DDS, MSc, PhD

Dr. Rodrigo França is head of Dental Materials Research at the University of Manitoba and former Lecturer in Biomaterials at the École Polytechnique in Montréal. With PhD’s in both Dentistry and Metallurgy, Dr. França is uniquely suited to assist PDIC in dental material alternatives and testing. Previously a practicing dentist in Sao Paulo, Brazil, he is well connected to advise on the South American implant market.

About PDT

Preferred Dental technologies Inc. (PDT) has been established to advance development and commercialization of various evolutionary and disruptive technologies in the dental implant industry.

PDT’s first entry into this market is the successful acquisition of Preferred Dental Implant Corp (PDIC) which will operate as a wholly owned subsidiary of PDT. PDIC is the developer and innovator of the EAS

series that provides a solution for custom dental abutments for dental implants. Designed by an experienced dental lab technician, the EAS supplies a solution not currently available by any other dental implant Company.
