Preferred Dental Technologies Inc. (“Company”) (CSE: PDTI, US OTC: PDTTF): Announces Technology Award Nomination

Preferred Dental Technologies Nominated for Technology Award

Global Health & Pharma (GHP) <https://www.ghp-news>. has informed Preferred Dental Technologies Inc. (PDTI) that they have been nominated for its 2018 Technology Award. These awards are currently in their third year and are designed to recognize companies who are dedicated to creating innovative healthcare solutions for individuals across the world. PDTI has accepted the nomination.

“On behalf of the PDTI team, we are extremely pleased to be recognized with a notice of nomination from Global Health and Pharma,” said Erik Siegmund, CEO. “This nomination confirms what has already been recognized by international lecturers and publications alike – that the EAS Series of dental abutment components offers a game changing technology.”

This award nomination follows up on prior acknowledgement of the company’s custom components as they have expanded into the realm of digital manufacturing. Earlier this year, PDTI was featured in SmarTech Publishing’s article, *3D Printing in Dentistry 2018*. (For details on how to access the full research report, visit: <https://www.smartechpublishing.com/reports/3d-printing-dentistry-2018/>)

PDTI is pleased to share this recent news and looks forward to announcing additional Company developments in the very near future.
